**Locally Sentenced**: Convicted felons sentenced to serve their time in a local jail. As felony offenders, these persons are under TDOC jurisdiction.

#### **Admissions**

**New Commits**: Refers to any person who is beginning his/her incarceration to TDOC (or jail if locally sentenced). (Note: This would include a first incarceration for all persons after an expired sentence or a violation of their probation resulting in a new felony charge.)

**Violators Returned**: Refers to an individual; who has been revoked on his/her current sentence **BUT** this is **NOT** the first time he/she has served time in a TDOC (or jail if locally sentenced) facility.

#### Releases

**Parole**: Felons originally sentenced to an incarceration period and released to serve the remainder of their sentence under supervision.

**Probation-Community Correction**: Usually non-violent felons sentenced to serve a split sentence; a short jail or prison term and the remainder under state supervision.

#### **General Notes**

**Backup**: All offenders sentenced to TDOC custody are counted as admissions. Some offenders are held at a local jail while awaiting transfer to a TDOC facility. Since offenders who are in backup could be released for a number of reasons before being transferred to TDOC, they will only be counted as "backup" when they are released.
